

Moments in Bloom: Honoring the Heart of Our Campus

**Kali Meeker,
HR Director**

In May we Celebrate Skilled Nursing Week which gives us the opportunity to pause, reflect, and celebrate the meaningful moments that bloom every day across our Continuing Care Retirement Community.

This year's theme, "**Moments in Bloom,**" beautifully captures what happens when compassion, dedication, and purpose come together. From quiet conversations at the bedside to joyful celebrations shared with residents and families, these moments, large and small are the very heart of the care we provide.

At the center of every moment in bloom are our people. We are deeply grateful for our **254 dedicated staff members across our campus**, whose commitment and kindness shape daily life here. Whether providing skilled clinical care, supporting daily living, preparing meals, maintaining our beautiful environment, or offering a friendly smile when it's needed most, each team member plays a vital role. Their work does more than meet needs—it builds trust, fosters dignity, and helps our residents continue to grow and thrive.

During Skilled Nursing Week, we extend our sincerest thanks to every member of our team. Their passion, resilience, and teamwork do not go unnoticed. Because of them, our community continues to be a place where care flourishes, connections deepen, and moments truly bloom.

Let's Celebrate!

What Is A Dad?

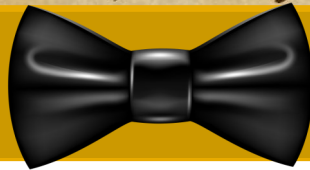

*A dad is someone who
wants to catch you before you fall
but instead picks you up,
brushes you off,
and lets you try again.*

*A dad is someone who
wants to keep you from making mistakes
but instead lets you find your own way,
even though his heart breaks in silence
when you get hurt.*

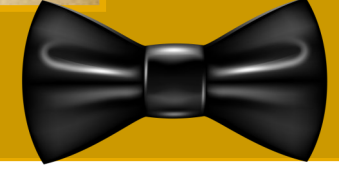

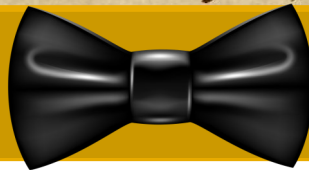

*A dad is someone who
holds you when you cry,
scolds you when you break the rules,
shines with pride when you succeed,
and has faith in you even when you fail...*
